

Our Mission

La Rabida Children's Hospital is dedicated to excellence in caring for children with chronic illness, disabilities, or who have been abused, allowing them to achieve their fullest potential through expertise and innovation within the health care and academic communities.

To accomplish our mission:

La Rabida provides comprehensive, interdisciplinary health services to children across a continuum of care, serving as a model for family-centered care.

- La Rabida provides training and education of health care professionals which will enable them to deal creatively with the challenges of children with chronic illness and their families.
- La Rabida conducts research, and promotes advocacy related to the prevention, diagnosis and management of children with chronic illness.
- La Rabida works with public and private agencies, and other health care facilities in its shared dedication to helping children and their families.
- La Rabida maintains an ongoing commitment to caring for children and families regardless of their ability to pay.

La Rabida is a private, nonprofit organization.
